Autopay Authorization

Last update: April 20, 2026; Effective date: April 22, 2026

For the purposes of this Authorization for Automatic Payments (“Authorization”), the words "you" and "your" mean the individual signing electronically below, and the words "we", "us" and "our" mean WebBank, its service providers, including Sezzle, and its successors, assigns, agents, and/or other service providers.

You have provided certain debit card or bank account information (your “Default Payment Method”) when you agreed to enroll in autopay (“Automatic Payments”) through the Sezzle customer dashboard. By agreeing to Automatic Payments, you are authorizing us to initiate recurring electronic debits from your Payment Method(s) (as defined below) in accordance with this Authorization for amounts due under the Truth-in-Lending Disclosure and Loan Agreement provided in the Sezzle Mobile App below. Your Payment Method(s) can be changed or revoked in accordance with this Authorization and your Loan Agreement.

A copy of this Authorization is available to you at www.legal.sezzle.com/authorization. Please download or print for your records.

Authorization for Automatic Payments. You authorize us or any of our service providers or assigns to initiate Automatic Payments from your Default Payment Method for the total principal payment and interest amount due (each, a “Scheduled Payment”) on or soon after the dates set forth in your Truth-In-Lending Disclosure (each a “Payment Due Date”). We will not initiate such Automatic Payment(s) until after 7:00 PM (CT) on the applicable Payment Due Date.

Authorization for Automatic Payment from Other Stored Payment Methods. If a Scheduled Payment from your Default Payment Method is unsuccessful, you authorize us, and any of our service providers or assigns, to initiate payment on or after the date of the failed attempt from your debit card(s) and/or Sezzle Balance added to and stored within your Sezzle Account (each, a “Stored Payment Method,” and together with your Default Payment Method, collectively, “Payment Methods”) in the amount of the Scheduled Payment, plus any applicable late payment fee and/or failed payment fee, in accordance with your Loan Agreement. You understand that your financial institution or card issuer may also impose fees in connection with rejected charges or debits and you agree that we are not liable to you for such fees.

In exercising this authorization, and subject to applicable law and payment network rules, we may continue to attempt to collect the Scheduled Payment and any applicable fees from your Stored Payment Methods that are eligible to be charged under your Loan Agreement until the payment is successfully collected or otherwise resolved. We may attempt to collect payment from Stored Payment Methods in an order determined by us, which may take into account factors including, but not limited to, recency of use and prior payment performance.

If your Stored Payment Method(s) cannot be charged, you authorize us or any of our service providers or assigns to initiate payment from your Sezzle Balance in an amount up to the Scheduled Payment plus a late payment fee and/or failed payment fee, as applicable and in accordance with your Loan Agreement.

Managing Your Payment Methods. You may add, remove, or change your Payment Methods at any time here https://dashboard.sezzle.com/customer/payment-methods. If you remove a Stored Payment Method from your Sezzle Account, we will no longer attempt to collect payments from that method. Removing a Stored Payment Method does not affect your obligation to make payments due under your Loan Agreement.

Revocation. You may revoke this Authorization for your Payment Method(s) on file, including your Default Payment Method, by submitting written notice that you are revoking such authorization at least two (2) days prior to your applicable Payment Due Date. To revoke your payment authorization, you must email us at **payment_method_revocation@sezzle.com**. You understand that revoking a payment authorization does not eliminate your obligation to repay any amounts you may owe under your Loan Agreement.

Authorization to Vary Amounts. You understand that you have the right to receive notice in advance of any Automatic Payment that varies from the amount in your Truth-In-Lending Disclosure or from your most recent Automatic Payment, as required by applicable law. To receive advance notice of all varying payment amounts, you may write to us at WebBank c/o Sezzle 700 Nicollet Mall, Suite 640, Minneapolis, MN 55402.

You acknowledge and understand that your Scheduled Payments may vary if you make early or late payments as further illustrated in your Loan Agreement. Unless you elect to receive advance notice, you agree that we need not provide written notice if the amount of an Automatic Payment is less than the amount authorized above or no more than such amount plus any unpaid amounts, fees or charges then due in accordance with your Loan Agreement. If an Automatic Payment we seek to initiate varies by more than these amounts, we will send you notice at least ten (10) days in advance of the Automatic Payment.

Authorization to Debit Additional Payments. You authorize us to initiate payments from the Account for any amount and on any date that you subsequently direct by phone, email or other method we make available.

Authorization to Correct Errors; Credits. In the event we make an error in processing a payment, you authorize us to correct the error by initiating a credit or debit to the Payment Method in the amount of such error on or after the date such error occurs. If we owe you a refund or credit for any reason, we may apply it to any outstanding balance on your Loan (including fees, accrued interest, and principal, in that order), to the extent permitted by applicable law. Any remaining credit balance, or any credit owed when no balance is outstanding, will be returned to you by crediting your Payment Method or, if applicable, your Sezzle Account.

Miscellaneous. You promise that your Payment Method(s) is legitimate, open and active and that you are an authorized user on such method(s). You understand that this Authorization is subject to applicable law and network rules.

BY AGREEING TO AUTOMATIC PAYMENTS AND CONTINUING, YOU ARE ELECTRONICALLY SIGNING AND AGREEING TO THIS AUTHORIZATION TO ELECTRONICALLY DEBIT YOUR PAYMENT METHOD(S) ON A RECURRING BASIS. YOU ACKNOWLEDGE THAT YOU HAVE READ, SAVED, UNDERSTAND, AND AGREE TO BE BOUND BY THE TERMS OF THIS AUTHORIZATION. IF YOU DO NOT WISH TO MAKE AUTOMATIC PAYMENTS, YOU SHOULD CLOSE THIS BROWSER SESSION OR WEB APPLICATION OR TURN AUTOPAY TO “OFF."
